IMS Policy

1. Express Group Ltd. provides Internal and External contracting services, including design, manufacture and installation across the south of England.

2. To fulfill this mission, we are committed to understanding our Clients needs and fully satisfying their requirements, as well as complying with relevant laws, regulations, and codes of practice as they affect our services.

3. In addition, we have identified the aspects of our activities that we believe could have a significant impact on the environment and have taken action to minimise these impacts to protect the environment and prevent pollution.

4. We have also identified the hazards in our activities that we believe could have a significant impact on all persons performing work or work-related activities that are under the control of the organization and have addressed the associated risks.

5. As well as providing safe and healthy working conditions for the prevention of work-related injury and ill health, we are committed to effective consultation of workers and their representatives.

6. To help us achieve these aims, we have implemented an Integrated Management System (IMS) complying with the international standards ISO 9001:2015, ISO 14001 2015, and 45001:2018.

7. We are committed to continually improving the effectiveness of our IMS, and have set, and will monitor, performance against relevant quality, environmental, and occupational health and safety objectives and targets.

8. This policy is periodically reviewed to ensure its continuing suitability and is communicated to all members of staff and any associates and Bona Fide Subcontractors working on our behalf, through induction and general awareness training. It is displayed in our office and on our website making it fully available to all interested parties including, where appropriate, members of the public.
